REPAIR AND RETURN

Dear Ones,

What a year it has been. As we approach the year of 5783, which will commence in the secular calendar on the 25th of September, we gaze longingly into our future with a hope for repair and return. This year, we will seek to repair frayed connections and form stronger bonds with one another, embracing the West End community from Lincoln Towers to Brooklyn to Ohio to Germany. And we will continue the process of return as we prepare to lift off into our 36th year with our brand new elevator. Finally, this year—after 2 years of unusual High Holy Day services—we will return to our High Holy Day traditions of years past, gathering in person at a larger off-site Upper West Side facility on Rosh Hashanah and Yom Kippur. Please read on for important information about how you can join us as, together, we enter this new time.

Services: This year, in order to allow for greater numbers of attendees and social distancing, as well as physically accessible entrances, we will be utilizing the larger in-person space on the Upper West Side that we have traditionally used. Location information will be provided with their tickets to members and guests. Services this year will be multi-access (on Zoom and in person) for members in good standing and for guests who have purchased tickets. Due to COVID, all in-person attendees must be masked and vaccinated as recommended by the CDC. We will also have an outdoor service and picnic on the afternoon of 2nd Day Rosh Hashanah open to members and guests, including unvaccinated children and adults. Please see the attached Schedule for specific timing for each service.

REPAIR AND RETURN

Zoom Access: All services will be accessible through Zoom. Members must REGISTER in order to receive the link to log on. Registration is here: www.westendsynagogue.org/HHDregistration. Zoom links will be provided only to members who are in good standing by having paid their 2022 WES dues. Non-members and guests are welcome to purchase High Holy Day tickets (which will entitle them to Zoom and in-person access) on our sliding scale.

Children's and Family Programming: We will have opportunities throughout the High Holy Days for children and teens to gather for prayer, community, and creative learning. Please see the Schedule for specific offerings. Children must be vaccinated, and children over the age of 2 must be masked for all indoor programming except when eating and drinking.

We look forward to celebrating and being together as a community in the coming year. If you have questions or special needs, please call Joan Erber, Synagogue Administrator, at 212-579-0777, ext 220.

Blessings,

Harvey Wiener, WES President

Yom Kippur Break Options:

- Gary Lincoff Nature Walk

2:00pm

with Michael Graff and Irene Liberman

We are again guiding our annual Yom Kippur walk in Central Park. Nothing so befits the sanctity of the High Holy Days than devoting our break in services to appreciate the spiritual wonders of Nature that are offered right at the doorstep of our sanctuary. It makes us so grateful to be alive and together at this time and place. We will "Amble through the Ramble" at a slow pace, which will include some short hills and a few steps.

- Tonda Marton

2:00pm

Tonda Marton will speak about her work running the Marton Agency Inc., which licenses American plays and musicals, in translation, around the world.
