

As we move into May, we enter Iyar with its opportunities both to celebrate and to mourn. Our first Shabbat of the month will be a First Friday Intergenerational Service, followed by Celebrate Israel the next morning in honor of Yom HaZikaron and Yom Ha'Atzma'ut. The following week we will celebrate as Ezra Pactor becomes a Bar Mitzvah and we return to Saturday morning services in our own sanctuary! While construction continues, we will be BaMidbar— in the wilderness— as we appreciate the use of our space even while anticipating its full potential.
